

# THE SPARK PLUG

Virginia Automotive Association's Twice Monthly Member Update

## *Fall Meeting Survey*

The VAA is discussing future opportunities to offer our membership including training seminars, both in-person and virtually (via Zoom).

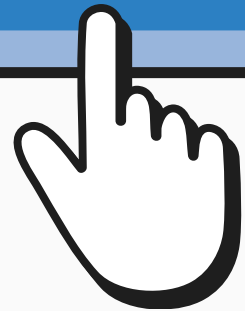

In order to propose, plan and best assist our membership, we need your help! Should these seminars target technicians, inspectors, another group within the field? What is your interest in these sessions or seminars? Would it be best to hold them in-person, virtually or offer a hybrid option?

To provide insight and your opinion, please complete the survey available [here](#) or use the QR code below for access.

The survey will close at midnight on **January 15, 2024**. Please complete it by this date.

We look forward to working with you to develop new opportunities for and with our membership!

**TAKE SURVEY**

Using your phone's camera, scan the QR code and click the link to access the survey.

Thank you in advance for your help and participation!
